

How to Draw a Human Face

Level up! Learn to draw a realistic girl's face using the artist's proportion guides — eye line, nose line and smooth jaw curves. This is the foundation of every portrait.

Work in light pencil first — the pale guide lines are meant to be erased as your drawing takes shape.

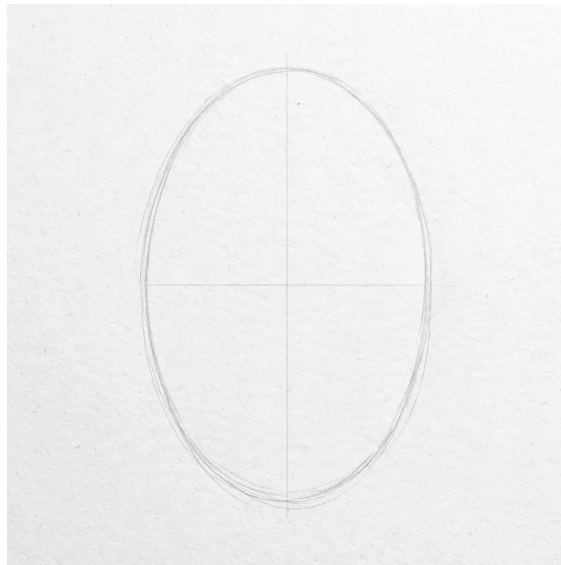

How to Draw a Human Face

Step 1 of 12

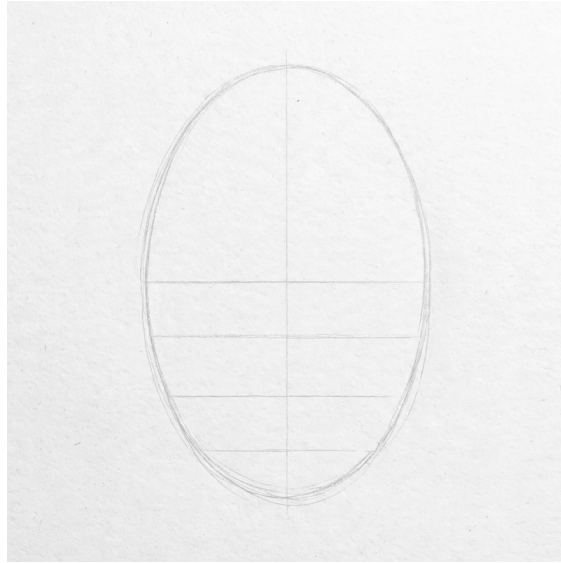

Draw a tall oval for the head.

Step 2 of 12

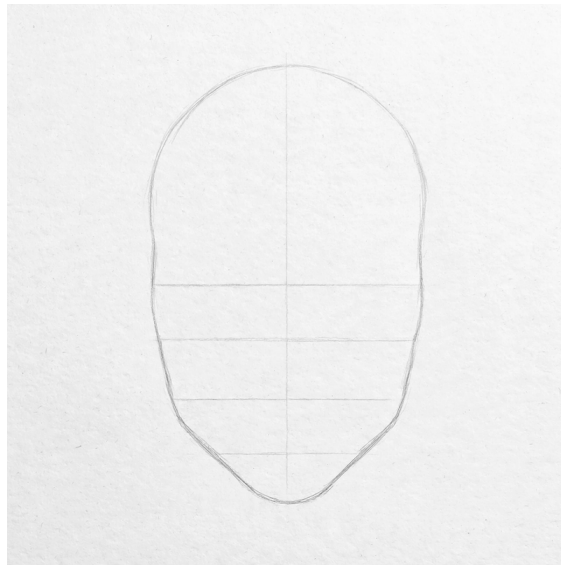

Add the center line and the eye line across the middle.
