

How to Draw Lips

Lips are all about curves! Learn the cupid's bow, the full lower lip and the seam line — then add highlights for a soft, realistic finish.

Work in light pencil first — the pale guide lines are meant to be erased as your drawing takes shape.

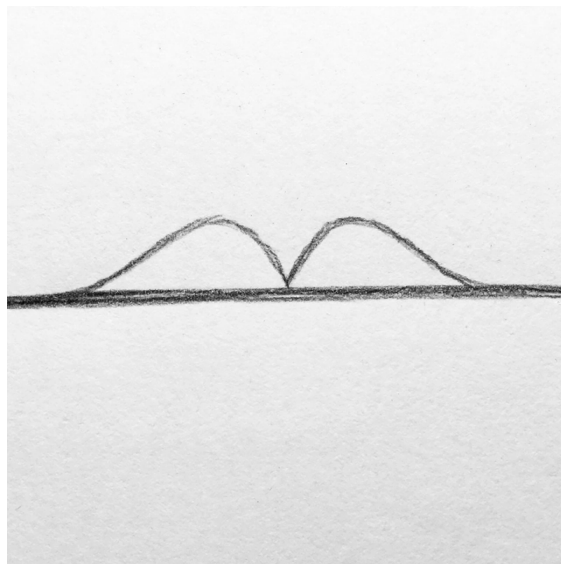

How to Draw Lips

Step 1 of 10

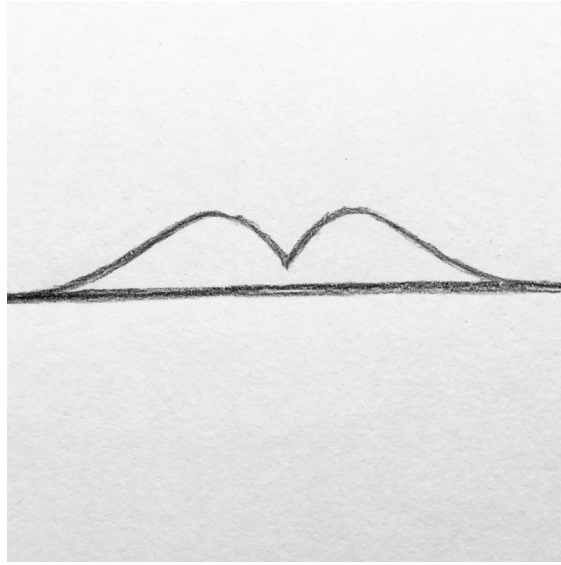

Draw a horizontal center line.

Step 2 of 10

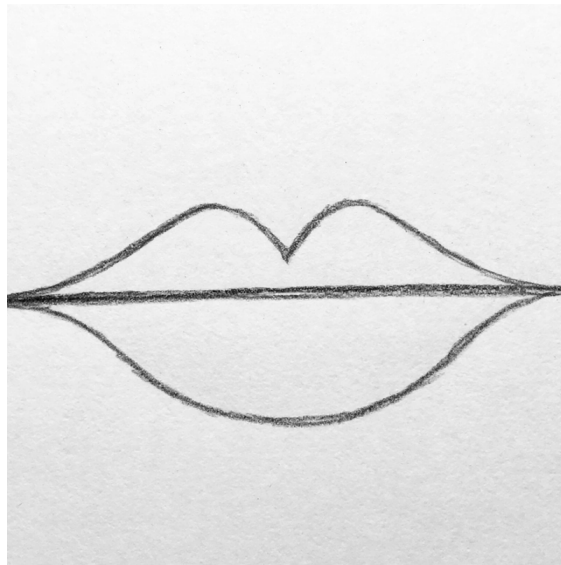

Draw the upper lip's two mounds — the cupid's bow.
